Previous Meeting Minutes:

Mr. Gluck: December 18, 2014 minutes are not available at this time.

School Board Report:

Ms. Ross: Discussed the budget, warrant articles

There are 4 new warrant articles aside from the normal articles. 1.) Support staff 2.) Expanding the use of funds in the facility use revolving fund, 3.) Establishing a capital reserve for the Sanborn Seminary Building and 4.) Establishing a capital reserve for technology. (Up to 100k for both.)

Ms. Ross: Support Staff numbers are now available: Year 1 increase \$21,903; Year 2 increase \$72,639.

Ms. Gannon: Discussion about the order of warrant. Seminary gets funded first, technology gets funded second. Example: if 100k goes for Seminary, which would mean 0 for technology.

Mr. Gluck: The Administration has indicated where they plan to cut the \$522,750 from the Admin proposed budget, which makes tonight's meeting easier as we may not all agree on where the money should be cut from, and preparing a slide showing the Budget Committee's recommended cuts would have been difficult.

Ms. Ross: It should be noted that the admin team sat down and spoke about the need for new employees. We as a committee aren't here every day. I have full confidence in the admin team to make the decision.

Mr. Gluck: *Handed out latest results from the survey monkey.*

New Business:

The Committee reviewed, in detail, the draft presentation. A lengthy discussion was held which resulted in changes to numerous slides.
